

## Improvised Electro-Jazz-Funk-Space Rock

Once again we played in the afternoon and to perhaps the largest crowd we have played to at this super cool festival. We had just released our new double live at Kildemose Festival vinyl and here we were again. The beginning of the show we were joined by the Mantric Muse guys and then later Jiri and Nicklas joined in. A high energy concert with good vibes.. Enjoy.

Audience recording using an Edirol R-09 and Audio Reality microphones by Dr. Space.
