

## Improvised Electro-Jazz-Funk-Space Rock

Great to play outdoors in Christiania again! Thanks to Anders for booking us! It was also the first time in 4 years that Claus Bøhling joined us on guitar. He was in a great mood and had a fun time playing as we all did despite the sound issues at the start. Synths are way too loud at the start but it begins to sound great after a few jams. Enjoy.

Audience recording using an Edirol R-09 and Audio Reality microphones by Dr. Space.

The band on this day was: Claus Bøhling- Guitar, Nick- Guitar, Jiri- Bass, Dr Space- Synths, Mogens- Synths, Martin- Drums, Anders- Sax (last track only)
