

Improvised Electro-Jazz-Funk-Space Rock

This was our 7th time at Kildemose.. Something about this festival always brings out a great performance from the band. We only had 90mins and really played a cool set. Lau and Nick were just great together.. The crowd was really into and Will did an great job on the sound so both the audience and the soundboard are great..

Audience recording using a Zoom by Dan. Soundboard by Dan. Live sound by Will Smith.

The band on this day was: Lau- Guitar, Vocal, Nick- Guitar, Jiri- Bass, Dr
Space- Synths, Mogens- Synths, Martin- Drums.
