

Improvised Electro-Jazz-Funk-Space Rock

This was a benefit concert for the new Svendborg Sound Festival which will take place the last weekend in August 2016. Aske, is a super cool guy and big fan of our music, who organized the event. We had a fun and great show but crazy sound on the stage. A bit of a mess at times. Enjoy..

Audience recording using a Edirol R-09 and Audio reality Microphones.

The band on this day was: Jacob K- Guitar, Jacob- Guitar, Jiri- bass, Thor- Bass (tracks 3&6). Martin- drums, Mogens- Synthesizers, Dr Space- Synths, Mads- Saxophone.
