

## Improvised Electro-Jazz-Funk-Space Rock

This was a very cool show with the Deep Space Destroyers and Boar from Finland. I really don't like KB18 much but we had a great show on this night. Short and powerful. We all played excellent and the small crowd was into it. Pretty decent sound which you do not always get at this venue. Enjoy.. Foto by Sabine.

Audience recording using a Edirol R-09 and Audio reality Microphones.

The band on this day was: Jacob K- Guitar, Nicklas- Guitar, Jiri- bass, Martin- drums, Mogens- Synthesizers, Dr Space- Synths,
