

Improvised Electro-Jazz-Funk-Space Rock

ØSC was invited to play Woodstock's birthday party. Dr Space was out of the country so jiri arranged a show with some new folks. Mads from Telestar Sound Drone and Mikael Toft on guitars. Pretty cool concert. Mogens is really driving the grooves with some awesome synth playing. Enjoy....

Audience recording using a Zoom recorder at 24/48 by Jiri's brother.

The band on this day was: The band on this night was: Mikael- Guitar, Jiri- Bass, Mogens- Synths, Martin- Drums, Mads- Guitar
