

Improvised Electro-Jazz-Funk-Space Rock

This was Dr Space's going away party. It was a fantastic night with Træsmaak and Black moon Circle also on the bill. About 200 people and great sound and visuals (thanks to Rico and Lars!). We played a really cool show on this night. Very interesting jams. People dug it.. Perhaps the last show in Denmark with ØSC and Dr Space for a year. Enjoy..

Audience recording using an Edirol R-09 and audio reality Mics by Dr. Space
The band on this day was: The band on this night was: Tobias- Guitar, Jiri- Bass, Jocke- Bass*, Mogens- Synths, Martin- Drums, Nicklas- Guitar, Dr Space- Synths, Jonathan- violin and Theremin
