

## Improvised Electro-Jazz-Funk-Space Rock

We had a lot of problems with flights and shit and Jonathan did not make it to the Portugal gigs due to cancelled flights. Fuck. We pulled in Aaron (Ocelot) to play bass. we had met him at the Aum Ritual last year in Switzerland. Martin (wicked Lady) joined on guitar as well. It is a pretty crazy and cool concert this one. A bit all over but still spaced out and cohesive enough. We had a lot of sound problems on the stage. First time ever in Porto. Great audience and cool Club.

Recorded by Dr Space using an Edirol R-09 and Audio reality microphones.

The band on this day was: Jocke- Guitar, Aaron- Bass, Tim- Drums, Dr Space- Synth, Martin- guitar, Mogens- Synths.
