

Improvised Electro-Jazz-Funk-Space Rock

We finally made it back to Finland after 7 years. We have always had a great show here. Sadly, this night Mogens had a lot of problems and the first part of the show is just not happening and it takes us a while to get going but we do. Great small audience. thanks to Katja for making this gig happen. Cool band Warp Transmission also played this night. Enjoy.

Recorded by Dr Space using an Edirol R-09 and Audio reality microphones.

The band on this night was: Jiri- Bass, Jonathan- Guitar, Theremin, Violin, Vemund- Guitar, Tim- Drums, Mogens- Synths, Dr Space- Synths.
