

Improvised Electro-Jazz-Funk-Space Rock

Saturday night in Helsinki. We have played here 5 times in the past and had some amazing concerts. The place was pretty filled up (120 people) and really into the concert. We had a strict curfew on this night and 3 bands so we could only play about 85mins. Audience and the band really wanted a lot more. Pity it was so short. We do have a multitrack of this show as well. Enjoy.

Recorded by Dr Space using an Edirol R-09 and Audio reality microphones.

The band on this night was: Jiri- Bass, Jonathan- Guitar, Theremin, Violin, Vemund- Guitar, Tim- Drums, Mogens- Synths, Dr Space- Synths.
