

Improvised Electro-Jazz-Funk-Space Rock

This was a strange night. three bands on a Monday night so we only had like 45mins to play, which was a bit insane. Soundcheck and all was longer than the gig. The guest, Scott played some really different stuff and made us go in a different direction than the previous nights. It was cool.. Bizzare old music house.

Photos by Sabine.

Recorded by Dr Space on an Edirol R-09 with Audio Reality Microphones.
A multitrack recording was also made of this show.

The band on this night was: Jiri- Bass, Jonathan- Guitar, Violin, Vemund-
Guitar, Tim- Drums, Dr Space- Synths. Scott McLean Synths.
