

Improvised Electro-Jazz-Funk-Space Rock

WOW--- Our first show ever in the UK and it was a corker! Amazing audience and lights. The venue, the people, the vibe, was just perfect for ØSC. We felt just at home and played a great gig. Vince fit in perfect with us. Thanks to Vince and especially Mart and his wife Sharon for taking great care of us. We will be back!!

Recorded by Dr Space on an Edirol R-09 with Audio Reality Microphones.

The band on this night was: Jiri- Bass, Vince- Guitar, Vemund- Guitar, Tim- Drums, Dr Space- Synths. and Mogens- Synths.
